Carol Singing in the Village

Last Thursday we were joined by more children and parents than ever. We visited many areas of the village including Needham Drive, Jarvis Gate, Jubilee Close and Chapelgate, before

ending up at the church where we all enjoyed refreshments! The children sang incredibly well and brought smiles to the faces of lots of villagers who came out to see us. Well done and thank you to everybody that came along with us, both children and adults! You sang beautifully and spread the Christmas spirit to everyone that saw us. The children managed to raise a fantastic £43.63 for the PTA to spend on enriching the children's education.

Children's Christmas Parties

On Monday the children will be having their parties in school. The children do not need to wear uniform for their party but will need to be back in uniform on Tuesday. Please ensure that you send in the item of food that you have signed up for (Wrens and Swallows) or been asked to provide (Owls and Herons). If everybody remembers and sends in the food the children will have a delicious party spread to tuck in to! We hope that everybody has a fantastic time and enjoys their parties; food, games and activities.

Final Celebration Assembly

Don't forget our Final Celebration Assembly on Tuesday 20th December, at 9am. The children will receive the normal weekly certificates as well as house points and attendance achievement certificates. We will also be serving tea/coffee afterwards and hope that lots of you are able to stay and enjoy this informal gathering.

School Choir sings at Beech Lodge

On Monday the choir went to Beech Lodge Residential Home for Senior Citizens to entertain them. The children sang a variety of modern and traditional carols as well as some fun Christmas songs. The residents were really pleased and touched that the children went to sing to them and their faces beamed whilst they sang. Some even enjoyed joining in! Well done choir!

Christingle Preparation

The children in Year 6 were very busy on Monday preparing the Christingles for the Christingle service at the church on Monday evening. They worked really well as a team creating mini conveyor belt with each of the children having a different job to complete. The children worked very efficiently, finishing 65 Christingles in record time! Well done children, they look amazing and your hard work was very much appreciated by Mrs Clifton.
