Welcome Back!

Welcome back after your Christmas holiday. We hope that you all had a lovely, relaxing and enjoyable break and that you managed to do lots of things together as a family. We are very pleased to see all of the children back and ready for school and looking forward to the learning that they will be doing this term. Thank you for your support so far this year and we look forward to your continued support throughout the rest of this academic year.

Christingle

Last term many of the children attended and supported the Christingle at the village church by attending the service and by filling their candles with lots of pennies. The children managed to raise a fantastic £123.78 for the Children's Society Charity. This is an amazing amount and we are very proud of the children for raising this money for children who are less fortunate than themselves. Well done children! Thank you for your support.

Fruit Pot Sale

On Monday 9th January the School Council will be holding their termly fruit pot sale at break time. The pots are 50p each and the children love being able to choose their own fruits and having the opportunity to try something new alongside their peers. Please remember to send 50p in on Monday if your child would like a delicious fruit pot!

Open Morning—7th February

On Tuesday 7th February we will be holding our next open morning which is an opportunity for you to come into school and work in class alongside your child. It gives you an opportunity to see how your child is being taught in school and experience their 'everyday'. We look forward to seeing lots of you there and know that the children love you coming in to work with them.

Art Gallery—7th February

On Tuesday 7th February, 6–7.30pm, the PTA will be running an Art Gallery in the school hall. Every child in the school will produce a piece of Art work which will be framed and displayed in the Art Gallery and can be purchased by their parent on the evening. The PTA will be serving wine and nibbles on the evening and we hope to see lots of you there!

PE Kits—Warm Clothing

Please ensure that your child has their PE kit in school every day, including extra warm clothing for outdoor PE now that the weather is much colder. It is important that the children have a change of shoes for PE as if their shoes get wet it is important for them to be able to change back into their school shoes which will be dry for the remainder of the day.

Fruity Snacks Please remember to send in a piece of fruit or vegetables for snack for your child in line with school policy. No other snacks are allowed at break time.
