### Owls Roman Day—Monday 30th January

On Monday 30th January the school will be invaded by Romans! Owls class will be taking part in a full day of Roman activities, getting into role to help them with their learning.

We hope that they all enjoy the day very much and we can't wait to see them all in costume and role for the day!

### Open Morning—Tuesday 7th February, 9–12 noon

On Tuesday 7th February all parents/ grandparents are invited to come and spend the morning in school working alongside their children. It is an opportunity for you to experience normal school life and to learn new methods that are being used in school today. It is a very informal morning with tea/ coffee provided for parents at break time. The children love these mornings and having the opportunity to show other adults how clever they are so please try to come along if at all possible! We look forward to seeing you there!

### Art Gallery—Tuesday 7th February, 6–7.30pm

In school the children are busy in their art lessons producing work of an excellent standard! These masterpieces will be framed by volunteers from the PTA and then displayed in a special Art Gallery which will be open on 7th February from 6–7.30pm. During this time you will have the opportunity to buy your child's stunning artwork!

### PTA AGM—Wednesday 8th February

We are very lucky at Sutton St James School to have a fantastic PTA who raise lots of money every year to provide extra enrichment for the children in their education. On Wednesday 8th February the PTA are holding their AGM and it would be fantastic to see lots of you there, offering your support, whether in a committee member role or volunteering to help out at events. We hope to see an increased number of parents support the school this year though their work with the PTA. Thank you!

### Parents Evening

Parents evening is an opportunity for you to come into school for an individual meeting with your child's teacher to see how they are getting on. You will be able to discuss the progress that they have made so far this year as well as thinking about what their next steps are with regard to taking their learning to the next level. Letters for appointments will be out soon. Please make sure that you complete the letter and return it to school to help us give you an appointment that suits you.
