**Fruit Pot Sales** Our School Council has been working very hard this week selling fruit pots for the pupils at school. They prepared and served all of the fruit, making a grand total of £35.00 from the sales over Monday and Tuesday. The children are now very efficient and good at setting up and clearing away after the sale. A big thank you to everybody that supported the school council by buying a fruit pot. They are working towards buying a slide to add to the trim trail for all pupils to use during their break times in good weather.

#### Change to Celebration Assembly

Celebration assembly next week, Friday 3rd March, will be at 2.30pm instead of at 9am due to activities happening on World Book Day. Apologies for an inconvenience caused by this.

#### Red Noses

The School Council have worked very hard at break times over the last two weeks. They have been busy selling red noses for Comic Relief and they have done such a good job that they have now sold out completely, selling 120 red noses in total. Well done to all of the School Council members that helped with this and thank you to everybody that bought a red nose from them to raise money for this excellent cause!

#### Red Nose Cuddly Toy Raffle

Mr Mastin has very kindly donated a cuddly red nose toy for the school council to raffle off to raise extra money for Comic Relief. If you would like to buy a raffle ticket to give you a chance of winning the gorgeous, soft fluffy 'Snuffles' then tickets will be on sale from the school council at break times, costing 50p each. The raffle will be drawn during assembly on Red Nose Day, Friday 24th March 2016. Good luck!

#### Book Swap Bookcase for Parents

In our school we feel that reading is very important for everybody and that it can be a real source of pleasure for many. Whilst we have a fantastic library that the children can use we have not got any provision for parents. We would like to start up a book swap bookshelf in the library where parents can bring books to donate and take books to read free of charge. In order to do this we are appealing for anybody who has an old spare bookshelf which they could donate to the school to be placed in the conservatory for this use. If you have anything that you think will fit the bill please speak to Miss Willows who will be delighted to get this facility up and running. Thank you.

**Parents Evening** Thank you to everybody that came along to Parents Evening this week. We hope that you found the evening informative and helpful in working with the school to give your children the best education that we can. If you were unable to attend and would like to make an alternative appointment please contact the school and speak to your child's class teacher.

#### New Start to the School Day

Thank you all for your support for the changes we have made this term to the start of the school day. All feedback that I have had from parents and staff has been very positive and it is felt that it is having the desired impact. Thank you once again.
