Term 6—4th June—20th Jul

Football Match

On Wednesday our fantastic football team played a match against Fleet school. The team have been having fun at lunchtimes practising with Mr Mooney and they played really well in the game. There was lots of action and lots of very near misses on goal. Unfortunately the team did not win but they all enjoyed playing and tried their very best.

Well done to everybody who took part—we are very proud of your efforts!

Science Day—Tuesday 21st March

On Tuesday 21st March all of the children will be taking place in our science day. The children will work in their classes and move around 4 different stations run by the four different class teachers exploring air, fire, water and Earth. The teachers have lots of exciting and safe experiments planned for the children to conduct—thinking about fair testing and predicting the outcome. It will be a fantastic day extending and consolidating the science skills that we teach the children in school and also in preparing them for their visit to Magna the following week.

Red Nose Day—Friday 24th March

Red Nose Day will soon be here! On Friday 24th March the children are invited to come to school in as many **BRIGHT clothes** as possible for a **donation of £1** for Comic Relief. The children have already had the opportunity to buy red noses and they will also be able to buy raffle tickets to win 'Snuffles' the Red Nose dog cuddly toy! We hope that we will raise lots of money for this very worthwhile cause with your support. Thank you.

Mothering Sunday Assembly

On Friday 24th March we will be having a special Mothering Sunday Assembly which all Mums are invited to attend. This will be combined with the usual Celebration Assembly. Mums are then welcome to remain in school working with their children in class. Tea/coffee will be provided for Mums at break time. We look forward to seeing lots of you there!

Magna Visit—Tuesday 28th March

Please make sure that you complete and return your permission slip for the whole school visit to Magna Science Adventure Centre on Tuesday 28th March if you haven't already done so. Although there is no cost we cannot take your child without your permission so it is vital that you return this. Thank you.

Scooters and Bikes No scooters or bikes to be ridden on the school grounds please!

This will help to keep everybody safe. Thank you.
