Red Nose Day

On Friday 24th March we held our Red Nose Day with the children coming in dressed in bright clothing for our theme 'Be Bright!'. The children and staff gave a donation of £1 for coming dressed in non-uniform raising £85. The school council also ran a raffle for 'Snuffles' the Red Nose cuddly dog which was really well supported raising £61.50. Snuffles was won by Abbi Cross. Altogether we raised a grand total of £146.51 for Comic Relief with our Red Nose Day. Thank you for your support.

Emergency Evacuation Practice

On Friday 31st March, at the end of our Celebration Assembly, we had a fire evacuation practice. Nobody knew that this was going to happen but everybody reacted very sensibly with all children walking with their teachers to the nearest fire exit and out onto the playground where registers were taken. Parents also walked very calmly to the playground. The school was evacuated in just 1 minute and 57 seconds which was fabulous. We are very proud of how well the children react when there is a fire evacuation practice. They are calm and sensible, listening to their teachers and following the procedure effectively. Well done to everybody.

School Council Fruit Pot Sale

On Monday and Tuesday this week the School Council were busy selling fruit pots at break time to raise more money towards a slide to extend the trim trail. The School Councillors were fantastic at preparing the fruit and helping the other children to create their own delicious fruit pots! They had lots of very satisfied customers and managed to raise another £44.50 towards their target. Well done to the School council and a big thank you to everybody who supported them!

£5 Notes

As you will be aware the old £5 notes will cease to be legal tender on 5th May. In order to ensure that we are able to get all old £5 notes banked prior to this date, we will not be accepting any old £5 notes after today (Friday 28th April). Thank you for your co-operation in this matter.

JPCSOs

On Tuesday this week our JPCSOs were out and about in the village helping to ensure that the local residents and drivers keep their valuables

safe and secure to avoid loss through theft. The children spoke to people about keeping bikes and scooters secure at their houses and keeping telephones and Sat Navs safe in their cars. Make sure that you keep your possessions safe by not leaving them on display in cars or unsecured at your house.
