Term 3—3rd Jan—9th Feb
Term 4—19th Feb—28th March
Term 5—16th April—25th May
Term 6—4th June—20th Jul

Year 6 SATs—Well Done

Well done to all of the Year 6 children who have just finished a hard week of tests! You all worked tremendously hard and put in your best effort! We are very proud of each and every one of you! Now you can enjoy the rest of the term, with less pressure—but please do not think that means that you will not be doing any work because now we have lots of things to do to prepare you for transition to secondary school and to keep your learning moving forwards.

Fidget Toys

Fidget toys and Fidget spinners are originally designed for children with ASD, ADHD or SPD. If we feel that a child would benefit from having a Fidget toy in school then we will provide it for them. Please DO NOT allow your child to bring any Fidget toys in from home to play with in school. This is the same rule that we have for any other toys which should not be brought into school to play with. All toys will be confiscated by the class teacher and returned to you, the parent, at the end of the school day.

Thank you for your co-operation with this.

Start of the School Day—Please ensure that your child is in school on time

We have noticed recently a number of children arriving late for school and having to come to the school office. Please make sure that your child is in school, having had time to put their bag away and to be sat in their classroom by 8.55am which is the time that the register is taken. If your child is not in the classroom by this time they will be marked as late in the register. So set your alarm for 10 minutes earlier to ensure that your child is in school for the correct time. Thank you.

Race for Life

As you are aware every child in school will be taking part in the Race for Life on Friday 19th May. Please make sure that you are raising as much sponsorship money as you possibly can for this fantastic cause. All sponsorship money and the sponsor form need to be returned by Friday 9th June. Remember if you would like to join in too you are more than welcome to do so and we have additional sponsor forms available for you too!

Groundforce Day for Playgroup

On Saturday 27th May, the first day of the May holiday, Playgroup will be having a Groundforce Day when they hope to improve the outside areas around their building.

There will be all sorts of jobs to undertake, including painting, gardening, clearing, small repairs to the building etc. If you have any time free on Saturday 27th May to pop along and join with the community to improve the facilities for the children who attend then they would be delighted to see you there! They will be starting work at 8.30am and finishing by 1pm at the latest but any small amount of time you can spare would be fantastic!
