Year 3/4 Football Tournament

On Friday 19th May our Year 3/4 football team played in the ESA School football Tournament at Holbeach. The team did an amazing job and played games against Gunthorpe winning 2—1, Gosberton Clough winning 4-0, Baston winning 6-2 and Long Sutton winning 4-0. These victories took them to the final where they played incredibly well but lost 1-0. The boys played really well as a team, passing the ball to each other and working as a team really effectively. Congratulations to the team on this fantastic effort—you should all be very proud of yourselves!

Race for Life

On Tuesday 23rd May every child in school took part in the Race for Life, running at least 10 laps of the school field. The children all did incredibly well with some of them running as many as 17 laps of the field. The children were rewarded with a nice cool bottle of water at the end. Well done to the parents that came along to take part or to support the children—it was great to have you there too! Please remember to collect in your sponsor money and return it to school as soon as possible along with your sponsor form so that any gift aid donations can also be received by the charity.

Playgroup Are Extending their Hours of Provision

For those of you with younger children, or who know other families with younger children, please be aware that the Playgroup are extending their hours of provision from September this year. In September the Playgroup will open from 8am until 4pm for sessions. If you, or anybody that you know, are interested in this new facility—please contact the playgroup by visiting them or by calling 01945440000.

Deanary Day

On Wednesday 24th May the Year 4 children went on a visit to Gedney Victory Hall for the Deanary Event. They learned about the story of Joseph from the bible and did lots of activities relating to this. Whilst they were there the children were split into four different groups and worked with children from lots of different schools. The children had a great time and behaved really well. Well done to the children for representing our school so well, and thank you to the staff that attended the event with them.

Headteachers Reward Treat for Oliver and Ashleigh!

On Thursday 18th May Oliver and Ashleigh received their treat with Miss Willows for earning 10 gold stars. They chose to be Headteacher for the morning so they came to school dressed very smartly and spent the morning observing in each of the classrooms with Miss Willows. They even got to have a doughnut and cup of tea in Miss Willows' office with her. Ashleigh and Oliver had a fantastic time and really enjoyed their treat—well done to both of them for earning their 10 gold stars.

Reading Records The vast majority of children in school thoroughly enjoy the Cinema Reading reward scheme that we have in school. Please ensure that you are reading regularly with your child at home/ listening to your child read and signing their reading record which should be sent back to school each week/day depending which class your child is in. Teachers have noticed that some parents are not signing anything until close to the end of term at which point they sign multiple times without putting the name of the book or the pages that have been read. Some children are also telling us that they have not been heard at home despite the book being signed. Please ensure that you do make time to read with your child as often as possible and do not cheat the system. Thank you.
