Term 3—3rd Jan—9th Feb

Term 4—19th Feb—28th
March

Term 5—16th April—25th
May

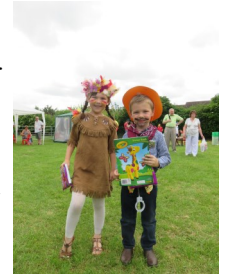

Term 6—4th June—20th Jul

Summer Fair!

A huge thank you goes to everybody that helped and supported the very successful Summer Fair on Saturday. The PTA worked tremendously hard to get set up, run and clear away on a very warm day.

It was lovely to see so many people at the fair, supporting the school. The sun shone and there was a lovely atmosphere where everybody was happy and enjoying the event. We were entertained by Wrens class doing some lovely country dancing and the children particularly enjoyed winning the mini water pistols which helped them to stay cool! Thank you once again to everybody who came and supported in any way.

Assault Course Day

On Tuesday 20th June every child in school took part in a fantastic assault course, learning new skills and working together as a team. The children all had a fantastic time and thoroughly enjoyed themselves. We have had lots of positive feedback about this activity provided free for the children from parents. The opportunity was paid for from the sports funding that the school receives from the Government.

Enterprise Morning On Friday 16th June it was great to see so many dads in school for our Enterprise morning. The children had lots of fun working in their houses to make a game to run at the Summer Fair. The children worked really well together, directed by the house captains, to create some fabulous games with a 'Wild West' theme. The winner of the competition will be decided by how many people had a go on each stall and will be announced at the assembly at the end of term. Thank you to all of the dads that came to help the children—we hope that you enjoyed your morning in school. Thank you also for your very positive feedback about the morning.

Herons—Healthy Eating Workshop

On Tuesday Herons class took part in a workshop, run by Bakkavor, looking at, and tasting lots of different foods. The children all really enjoyed the afternoon and learned lots from it. Hopefully this will help them to make sensible food choices and keep themselves healthy.

School Council Visit

The school council visited Weston Hills School on Tuesday last week to meet with their school council, discuss their roles, tour the school and meet with some local Parish Councillors to ask them questions. The children gave a short presentation about the job that they do in school and they all really enjoyed themselves. Well done to all of them for representing our school so well!
