Term 3—3rd Jan—9th Feb

Term 4—19th Feb—28th  
March

Term 5—16th April—25th  
May

Term 6—4th June—20th Jul

### Mayan Workshop

On Monday 19th June, Herons class took part in a Mayan workshop. The children spent the day with 'Big Nose' doing lots of fun activities. The children created drawings of Mayan artefacts, learnt about the Mayan number system and tried different types of chocolate. The majority of the children who tried the 85% chocolate did not like it! The children all enjoyed it and had fun. Well done to the children who dressed up for the day.

### Rounders Champions!

On Tuesday 27th June a team of Year 6 pupils went to take part in a rounders tournament. The children worked very well together, representing the school in a very positive and pleasing way. Due to their exceptional efforts the team won the tournament, winning themselves a medal and a trophy for the school. Well done to all of our rounders stars!

### Football Tournament

On Friday 23rd June a team of year 5 and 6 children visited the Peele school to take part in a football tournament. Once again the children worked well as a team and behaved impeccably, representing the school really well. The team did fantastically and came second in the tournament. Well done to you all!

### Herons and Owls Production

On Wednesday and Thursday next week the children from Herons and Owls will be performing their end of term entertainment extravaganza 'Panto Pandemonium.' The show on Wednesday will be at 6pm and on Thursday at 6.30pm. Please make sure that you have your tickets if you are a parent of anyone in Owls or Herons class. Also please remember that the children are all relying on each other and so it is essential that they are all here for both of the evening performances. We are all looking forward to seeing the play and listening to the fantastic songs that we have heard being practised!

### Wrens and Swallows Visit to Peterborough Museum

On Tuesday this week Wrens and Swallows class went on a visit to Peterborough Museum. They had a 'toys from the past' workshop, made a cone toy and looked around the museum. The children all had a lovely day and enjoyed themselves. They learned lots and consolidated their learning from the classroom. Whilst they were there the children all behaved really well and were a real credit to the school.
