Term 3—3rd Jan—9th Feb

Term 4—19th Feb—28th  
March

Term 5—16th April—25th  
May

Term 6—4th June—20th Jul

### Lincolnshire Wildlife Park

On Friday 23rd June Owls class went to Lincolnshire Wildlife Park to consolidate the learning that they have been doing in class. Whilst there the children created a food exploration box for the meerkats which they loved playing with. The children saw all sorts of animals and

learnt about which ones are endangered and how we can help to protect them. The class all behaved really well and enjoyed their day.

### Athletics Competition

On Tuesday a team of Year 5 and 6 children took part in a tournament of different athletic events. The children did amazingly well winning gold, silver or bronze in lots of individual events and coming second overall as a team. There were lots of other schools taking part, some of them much larger than us, so this is a fantastic achievement. Well done to all of the competitors that were involved—we are very proud of you all!

### Year 5 to Peele School and UAH

Over the past two weeks all of our Year 5 children have been on visits to both the Peele School and University Academy Holbeach. The children did lots of different activities on both of their days including PE, Food Technology and Science. The children all had lovely days at the two schools and got a taster of what secondary school would be like. Well done to all of the children for representing our school in a very positive way.

### Internet Warning

Once again it has been brought to our attention that some children in school are using Internet sites which are illegal for children under 14 to use. We wish to bring to your attention the new feature of sites, such as snapchat, which now gives a location indicator with each message.

This makes it very easy for your child to be located without realising it. Please ensure that your child does not have access to sites which are not appropriate for them—please check the Internet for legal ages for different sites. It is essential that you monitor which sites your children are using and what they are doing on them (who they are talking to). Please be vigilant to protect your children.
