- Term 3—3rd Jan—9th Feb
- Term 4—19th Feb—28th March
- Term 5—16th April—25th May
- Term 6—4th June—20th Jul

JPCSO Assembly

On Monday the JPCSOs took assembly, telling the children all about different roles in the police force. The JPCSOs researched different roles independently and then worked together to make a presentation for the rest of the school. The children all spoke very clearly and made the presentation interesting by asking the children quiz questions at the end to check that they had learned things from the assembly. Well done to the JPCSOs who have now explained their assembly to the PCSO who was very pleased with what they had done. The children now have their second task to complete over the next month before the PCSO returns. This task focuses on catching children doing good deeds around school. Remember the JPCSOs will be watching you looking for good deeds!

Macmillan Coffee Morning

We had a fantastic morning with lots of people coming and staying for tea/coffee and cakes, supporting us to raise lots of money for the fantastic charity. We were very lucky to have lots of lovely donations of cakes and raffle prizes from very generous parents and local residents, helping us to raise lots.

The school council did a fantastic job taking cakes around the classrooms for all of the other pupils to buy helped by Mr Barnett.

We would like to say a huge thank you to all of the people who generously donated things for the morning and anybody that helped in any way on the morning or in preparation for the event.

Conkers

This week the children have all taken part in the House competition for the term collecting conkers. The children all had great fun searching for and collecting conkers at break time and lunchtime. They are all very keen to find out who collected the most but this is being announced in the final celebration assembly of the term. Well done to all of the children for their efforts.

Arts Award

This year some of the older children will be taking part in an Arts Award. This means that they will be taking part in workshops in school and visiting the South Holland Centre to watch performances of different arts and cultures. This will form the entry level to an accredited qualification. We hope that the children enjoy taking part in this.
