Christingle Making

On Monday morning the Year 6 children worked hard with Mrs Clifton to make the Christingles for the service that evening. A very efficient production line saw children taking on different roles, some wrapping the red ribbon around the orange, others attaching the candle, some making the sweet sticks and others positioning four of them around the candle. The children worked very efficiently and finished the Christingles in record time. Well done children and thank you to Mrs Clifton for helping the children.

Christingle Service

On Monday lots of you braved the freezing weather to attend the Christingle service at Sutton St James Parish Church. The service was led by Sally Clifton with the help of some Year 5 and 6 pupils—George, Ruth, Gregory, Harry, Lucy, Riley and Daisy. Well done to all of them for speaking slowly and clearly. Standing very still, all of the children held a Christingle very carefully and sang Away in a Manger by candle light creating a magical atmosphere. Thank you for your support at this lovely service and to all of you who have collected money in your Christingle candles returning them on the evening or to school.

Final Celebration Assembly—Tuesday 19th Dec, 9am

Our final celebration assembly will be on Tuesday 19th December at 9am. Please try to join us to see what achievements the children are rewarded for, to see who has earned lots of house points over the term and who has been super healthy and not had a single day off since starting back in September! We would love to see as many of you there as possible.

Pantomime

On Tuesday we had great fun when the whole school went to Spalding to watch the pantomime Aladdin at the South Holland Centre. The performance was fantastic and the children had great fun joining in with the calls and replies. During the intervals the children were treated to a delicious ice-cream by the PTA. Thank you to all of the adults that accompanied the children and thank you to all parents for your support of this visit.

Christmas Party Food

If your child is in Herons or Owls class you should have received a letter this week detailing the party food that you are requested to send in on Monday for the children's Christmas Parties. If your child is in Swallows or Wrens class you should have signed up on the party food list at one of the Nativity performances. Please remember to send your party food in with your child on Monday to help ensure that the parties are a success. Thank you.
