Welcome Back

Welcome back to School—we hope that you all had a fantastic Christmas and New Year and that you were able to spend lots of time with family and friends! We have had an excellent start back to school with the children behaving really well and working hard. We look forward to working with you over the next two terms up until the Easter holiday. Please make a note of the dates on this update in your diary so that you are aware of the many things happening in school over the next two terms. We look forward to having lots of you in school to enjoy lots of the activities and continue to operate our 'open door' policy, encouraging you to come in and talk to us if you have any issues or suggestions of how we can improve our school even further!

School Start Time—8.55am

Please could we remind you that registration for school is at 8.55am each morning. This means that you need to drop your child off early enough to allow them to walk to their classroom, take their coat off, hang up their bag and be in the classroom for 8.55 at the latest. The school gate is opened each morning at 8.45 to allow children to come in to school from this time onwards. Thank you for ensuring that your child arrives in school by registration time 8.55am at the latest!

Outdoor Gym and Slide installation

On January 15th our outdoor gym equipment will begin being installed. The equipment is being put onto the grassed area next to the trim trail, close to where the Willow arch used to be. There may be a skip/stationary vehicle placed on the playground whilst this work is taking place. Please ensure that when you are collecting your children at the end of the school day that you keep young children with you and DO NOT allow them onto the trim trail or close to the area which will be cordoned off. Thank you for your help in keeping your children safe. We look forward to being able to use the new equipment and also the slide which has been provided by the school council. Well done to them for all of their hard work in raising the money to buy this and have it installed.

Stay and Play—Wrens Parents

Please remember you can stay and play with your child in Wrens class on Tuesday mornings from 8.45—9.15am. The children love to have you in and enjoy showing you what they do in school and showing you around their classroom.
