- Term 4—19th Feb—28th March
- Term 5—16th April—25th May
- Term 6—4th June—20th Jul

Hockey Festival

On Monday a group of Herons class went to play hockey in a festival at Peele Community College. The children had been practising

their Hockey skills at school in their PE lessons with Coach. The children played against seven other teams from various local schools, some of whom are much larger than us. The children all had great fun and learnt new skills including how to use a wooden hockey stick correctly. The children all took part in a brief training session at the start of the day and then played in lots of matches. Despite not winning all of their games the children did extremely well and improved their skills throughout the day. Behaviour was once again exemplary and we are very proud of their sporting effort and for representing our school in such a positive manner. Well done!

Pancake Day Drop-in at the Baptist Church

The Baptist Church in Sutton St James will be holding a Pancake Day Drop-in on Tuesday 13th February from 10:30am - 2pm where they will be serving pancakes and a cuppa. They hope to get a chance to meet people in the village and to hear from them how they feel the Church could serve them. If you would like to go along please put the date in your diary and pop along on pancake day to give your ideas and opinions about what the church could do to support you and the village.

JPCSO Assembly—Gratitude Box

On Tuesday this week the JPCSOs lead an assembly about their gratitude box. They explained what gratitude is and the importance of being grateful for all of the lovely things that we have. The JPCSOs would like to collect lots of unused toys and books to donate to children who are far less fortunate than themselves. Ashleigh, Cordi and Ruth lead the assembly, working through their power-point presentation and then they answered lots of questions from the children.

The gratitude box will be outside the Office in the entrance to school on Tuesday next week, 23rd January, for children to bring in good quality unwanted/unused toys and books to donate to the British Heart Foundation. If your child has any old toys that they are happy to donate please encourage them to bring them to school next week on Tuesday and put them in the Gratitude box. Well done to the JPCSOs for organising this event

Fantastic Hula Hoops

This term the children have been treated to a fantastic new experience learning how to Hula Hoop! Provided free through Sports Funding the children have been learning this new skill alongside a few members of staff who are also enjoying the classes after school each Thursday evening. Well done to all of the children who have had a go this term—We hope to see lots more of you there next term along with a few parents maybe!....
