- Term 4—19th Feb—28th March
- Term 5—16th April—25th May
- Term 6—4th June—20th Jul

Netball Tournament

On Monday a group of Herons class went to play netball in a tournament at Spalding High School. The children had a few practises at lunchtime with Mrs Horsfield. The children played against lots of other teams from various local schools. The children all had great fun and developed their netball skills. They did extremely well and improved their skills throughout the day. Behaviour was exemplary and we are very proud of them for their sporting effort and for representing our school in such a positive manner. Well done!

Blue Plastic Milk Bottle Lids

This is plea for blue plastic milk bottle lids. We use the lids as tokens at lunchtime to help the MSAs know which meal the children have ordered. Over the last year the number of blue tokens we have has dwindled and we are now finding that we sometimes do not have enough to give out to the children. Please could you ask your family and friends to save their blue milk bottle tops and send them in as soon as possible.

Farmhouse Breakfast Week and Flapjack

This week has been Farmhouse Breakfast Week! The children have been treated to a different style of breakfast every morning. On Monday the children had an American breakfast (bagels, pancakes and waffles), on Tuesday the theme was 'on toast' (beans, scrambled egg, marmite, jam or peanut butter).

Wednesday saw the children choosing from fruit and oats (porridge, fresh fruit salad, melon, yoghurt) and Thursday was continental day (croissants, French Stick, ham and cheese). Today, the final day, the children were delighted to have delicious hot bacon rolls! Thank you to Mrs Horsfield and Wrens class who worked really hard on Tuesday afternoon to make the flapjack for the following morning—it was really tasty and enjoyed by the children for breakfast. A big thank you goes to all of the children and

parents that attended breakfast café on any of the mornings to support us. Also a massive thank you goes to everybody that helped with the organisation or running of the mornings—we could not have done it without you!

Dodgeball Fun!

On Tuesday all of the children in Herons and Owls classes took part in an enrichment session to improve their Dodgeball skills. The children all had

great fun and were thankful that the rain held off for the morning. A team will be chosen from the children who took part and they will represent the school in an inter school dodgeball competition. This enrichment session was run by the company Sport2day and paid for from the sports funding given to the school by the Government.
