- Term 4—19th Feb—28th March
- Term 5—16th April—25th May
- Term 6—4th June—20th Jul

Safer Internet Day

On Tuesday 6th February all children in school were busy learning about how to use the Internet safely. Age appropriate lessons and activities were completed by all children across the school. As a school we feel that it is extremely important for our children to know about the importance of keeping themselves safe when using the Internet, hence we deliver e-safety lessons termly to keep good practice fresh in their minds. Please ensure that you are only allowing your child to access age appropriate websites at home and play/watch age appropriate games and films. If you would like any help with keeping your child safe on the Internet at home please let us know and we will organise something for you.

Playground Leaders—Year 5 and 6

On Monday this week several of our Year 5 and 6 children were trained as playground leaders to support the MSAs in organising games and activities for the younger children to take part in at lunchtimes. The children all worked really hard and were given a certificate to show that they have been trained. A rota was drawn up by Mr Gibson from Agilitas Sports who delivered the training, and the playground leaders have already started work. Mrs Horsfield is making sure that the playground leaders have all of the equipment that they need to make playtimes fun and exciting for the children. Thank you to all of the children that have volunteered to become playground leaders and to Mrs Morgan, our MSA, who will support the children in their new role.

KS1 Multisports

Competition

On Monday all of Swallows and Wrens children took part in a multisports competition organised by Agilitas Sports, paid for by sports funding. The children all took part in a wide range of activities and competed in their Houses against each other. The children had great fun and enjoyed the morning very much. Thank you to Mrs Horsfield for organising this event for our younger children.

WORLD
**BOOK
DAY**

World Book Day

Friday 2nd March, next Friday, is World Book Day! On this day the children are invited to come to school dressed as their favourite book character to celebrate the event. The children will receive a book token to spend on a book. During the day the children will complete fun and exciting activities based around books and their characters.

Start planning who you are going to come dressed as now!

Illness If your child is ill and unable to attend school please make sure that you telephone the school office to let us know so that the absence can be marked in the registers as an illness rather than an unauthorised absence. It is essential that you encourage your child to attend school as much as possible as this instils a good work ethic for later in life when we do not have a day off just because we have a cold or a headache.
