Snow!

On Tuesday, Wednesday and Thursday last week England was covered in a blanket of snow! The children were delighted and desperately wanted to go out and play in it! On

Wednesday during the morning, when sufficient snow had fallen, we wrapped up warm and went out onto the playground to take part in a snowman building competition with each class competing against each other. All of the snowmen created were so fantastic that it was impossible to choose a winner! Later on in the day, everybody who wanted to, went out for a snowball fight. The children had great fun targeting their teachers with snowballs and we were even joined by one of the neighbours who popped up over the fence and started to throw snowballs at us—all—needless to say they were met with a return volley of fluffy snowballs! All of the children that were in

school had a fantastic time playing in the snow and doing a variety of snow based work in the classrooms.

"This is the BEST DAY EVER!"

Athletics at the High School

Last Tuesday a team of Year 5 and 6 children went to the High School in Spalding to take part in an athletics competition. Three teams took part and they competed in a wide range of activities, including javelin, speed bounce, relay and obstacle relay. The children all tried their very best and enjoyed taking part. The children came away from the competition with Bronze medals and certificates for their fantastic efforts. Well done to all of the children. We are very proud of you all!

Please remember to phone in to let us know the whereabouts of your child if they are not in school. If we are not notified about your child's absence it will be recorded as unauthorised on the register.
