Term 4- 25th Feb—5th Apr 2019

Term 5- 23rd Apr—24th May 2019

Term 6- 3rd June—19th July 2019

World Book Day!

On Friday, delayed by a week due to the snow, we had our World Book Day. Everybody made a really big effort and looked fantastic in their costumes—including the parents and staff! There were all sorts of characters in school including The Mad Hatter, Alice in Wonderland, King John, pilots and white rabbits as well as Mary Poppins! The children had great fun completing activities based around books and were all given their £1 book token to spend on a book of their choice. Lots of parents came in to the book stall after school and they were delighted to find lots of good value books to buy. We were visited by the local press who took lots of photographs. Please keep a look out in the local newspapers for us all! Well done and thank you all for making such a fantastic effort, it was lovely to see such a lot of effort put into the costumes.

Science Day

On Tuesday we had our annual Science Day with each of the classes taking part in five different science activities. One of these was the planetarium visit. In addition to this each class visited each teacher to take part in a different science experiment. These varied from making rockets to finding out the impact of acidity on colour. All of the children had a great day and really enjoyed everything that they did, learning lots of new scientific concepts and consolidating others.

Planetarium Visit

On Tuesday, each class were treated to a visit to the planetarium in the hall. The children went to the hall where they crawled into the planetarium to learn all about our solar system, the stars and planets and how day and night are created. Every child enjoyed the visit and learned lots about this difficult to understand concept. This visit was paid for by the PTA, enriching the education of your children. A big thank you to the PTA for this generous donation—we know that the children have all gained a lot from this experience.

Celebration Assembly Due to our visit to The Deep in Hull on Friday 23rd March, next Friday, we will not be holding our usual Celebration Assembly. Instead we will have this term's final celebration assembly on Wednesday 28th March at 9am. This will include certificates for attendance and house points.

Meals Cancelled During Snow If you had ordered and paid for a hot school lunch which was cancelled due to the snow please contact Country Kitchen who will be happy to order two free meals for your child in compensation for these days as they are unable to give credit back. If you are unable to do this please contact the school who will do this on your behalf.

Deadline for returning consent for **The Deep visit** was today. If you have not returned your slip please do so on Monday at the latest. If you have lost your letter please see the office for a new copy. Thank you.
