Term 4—25th Feb—5th Apr 2019

Term 5—23rd Apr—24th May 2019

Term 6—3rd June—19th July 2019

Sport Relief

On Monday 26th March we held our Sports Relief day. It was great to see so many children who made the effort to come in sports clothing and donating £1 to the charity. In addition to this lots of the children bought squares on our spot the ball competitions, organised by Mr Quant, and the winners were announced in our final celebration assembly. The children were really pleased with the sporting games / equipment that they won. In total the children raised £95.50 for the charity. Well done everybody and thank you for supporting the children to raise this fantastic amount of money.

School Council Fruit Pot Sale

On Monday and Tuesday of this week the school council worked hard to raise money towards the football goals that they are hoping to buy by running their termly Fruit Pot Sale. The children were fantastic at preparing the fruit and organising the sale. They raised £24.70 in total. Thank you to everybody who bought a fruit pot and supported the school council and a special thank you to the school council for their contributions and hard work.

Easter Eggstravaganza!

At the end of last term we were delighted to see lots of parents, family and friends at our Easter Eggstravaganza!

The children had worked hard, practising their class performances and they all enjoyed performing for you

all. The children all spoke or sang clearly so that everybody could hear them and enjoy their performance. Well done to all of the children—we are very proud of you all!

Climbing Wall

On Monday 26th the children were really lucky to have the opportunity to try a new kind of sporting activity—CLIMBING! The sessions were run by three extremely helpful instructors, including John Churcher

the Paralympic athlete with the help of his guide dog Daisy. It was inspiring to see what everybody can achieve even if they have any form of disability. The children all enjoyed the activity and lots of them managed to get all the way to the top of the tower and sound the buzzer! This activity was paid for from the sports funding that the school receives to engage children with a wider range of sporting opportunities.
