Term 4- 25th Feb—5th Apr 2019

Term 5- 23rd Apr—24th May 2019

Term 6- 3rd June—19th July 2019

Jump Rope for Heart

This week, on Wednesday, the children made an excellent effort with their skipping and raising money for this very worthwhile charity. All of the children worked in teams and skipped for a long time during the afternoon—KS1 45 minutes and KS2 for 1 hour! The children took part in lots of different skipping

activities, including skipping individually, in pairs, in groups and some were even clever enough to be able to show each other skipping tricks. It was fantastic to see lots of the staff having a go too! Well done to everybody that took part. Now we ask you all to collect in your sponsorship money and return it to school as soon as possible. Well done everybody and thank you for your support.

SATs

Well done to all of the Year 2 and Year 6 children who have completed their SATs this week. We know that you have all tried really hard and we are very proud of you all! As a reward for their hard work these children (Year 2 and Year 6) will be given a week off homework and will not have any to do this week! Well done children.

Singsation Concert

A week today, Heron's class will become super singing stars performing in a concert with lots of other children from across South Holland. The concert will take place at the Kingsgate Conference Centre in Peterborough and is expected to be filled with a huge audience! The children have been working hard to learn the words and actions to all of the songs and they now sound amazing!

The concert is being organised by the same people as the very famous Young Voices concerts. The children sound fantastic when they are rehearsing in the hall so we are sure that when they are joined together with hundreds of other children they will sound amazing!

Open Morning Please remember that next Friday will be our open morning for all classes, when parents are invited to spend the morning in class with their children experiencing what school life and lessons are like for them. We receive lots of positive feedback from these mornings and hope to see lots of you there! Refreshments will be provided for parents at break time.

Parking Please make sure that you think carefully when you are parking about the safety of our children. Make sure that you do not force them to have to walk out towards or on the road please. Thank you.
