Term 4- 25th Feb—5th Apr 2019

Term 5- 23rd Apr—24th May 2019

Term 6- 3rd June—19th July 2019

Owls visit to Welney Nature reserve

On Monday, the children of Owls class were blessed with a beautiful sunny day for their visit to Welney Nature Reserve. The children left school early to head over to Welney for their exciting day learning more about the fenland area

where we live. After arriving the children took part in a variety of activities including bird watching, sketching and pond dipping. They all behaved really well and had a fabulous time, learning lots about their topic for this term.

Royal Wedding tea Party

On Friday afternoon the children all had great fun at our afternoon tea party, to celebrate the forthcoming royal wedding of Prince Harry and Meghan. The children had all been busy during the morning making their own sandwiches for the party, making flags, crowns and tiaras and learning the National Anthem. The sun shone brightly on us for the afternoon so we could enjoy our party outside on the drive (in the style of a traditional British street party).

Shared Curriculum Morning

On Tuesday this week, Wrens class opened their doors up to Sutton St James Pre-school Playgroup to visit for a share curriculum morning. The children came across to school

with staff from the pre-school to share some activities with Wrens children and staff. All of the children had a lovely time and this will help them to settle in more quickly when they join us in September. We look forward to seeing them again soon for their transition afternoons.

Year 6 Rounders

On Monday all Year 6 pupils went to a Rounders Tournament at the Peele School in Long Sutton. The children took part in several matches, trying their best and developed their skills of working together as a team. The children behaved well, setting a good example for others who were there. Well done to all of them. We are very proud of you!

Scooters and Bikes We are very pleased that some of our children are trying to stay fit and healthy by walking, scooting or biking to school each day. If they walk or bike they leave their bike or scooter in the bike shed during the day. When you are walking past the bike shed, either in the morning or the afternoon, please ensure that you do not touch bikes and scooters that do not belong to you. Please respect other people's property and ensure that it does not get damaged!
