Open Morning

On the last Friday of term we held one of our regular open mornings for parents to come into school and work with their child during a normal school morning. Some parents enjoyed joining in with PE lessons, whilst others were engaged in literacy, numeracy and guided reading lessons. As always, the feedback that we had was all very positive and we look forward to welcoming lots of Dads in on our next Enterprise morning later this month—Friday 15th June. We love having parents in school and would encourage all of you to get involved with the school and your child's education to help them to achieve the very best that they can!

Singsation — An Amazing Performance!

On Friday 25th May, the children in Herons class joined together with a huge choir of children of similar ages to perform in a concert at Kingsgate in Peterborough.

The children had worked very hard to learn the songs, which they thoroughly enjoyed, and when the children all came together to perform the result was truly amazing. In eighteen years of teaching, this was the most magical moment I have ever been privileged to be a part of. Parents and staff that attended agreed that this was an amazing performance and that they were very proud of all of the children. We hope that this event runs again next year and we will be the first in the queue to take part. Thank you to all of the staff who went with the children and well done to everybody that performed - we are very proud of you all!

Flower Festival Competitions

Over the bank holiday weekend Sutton St James Church held their annual flower festival and all children at the school took part by entering either a "garden on a plate" or a poetry competition. The standard of entries was incredibly high and the judges found it very difficult to choose between lots of entries. The winners and runners up were announced during celebration assembly this week. Well done to all of the children for their fantastic work and to parents who supported the children at home in their creative efforts!

Enterprise Morning On Friday next week Dads, Uncles, Grandads or other special people are invited in to spend the morning with their children to create a game for the summer fair on our Enterprise morning.
