Wise Up -Team Building Day

On Tuesday last week all of the children had fun taking part in a team building day, led by staff from Wise Up. The day was funded from the sports funding received from Government by the school. The children worked hard and team work skills definitely improved throughout the day.

The children took part in a wide variety of activities using a range of different physical skills. They had to take turns to lead and listen to others to help their group achieve the goal in the given time.

Latvian Summer Solstice

On Thursday morning Wrens class and the Year 6 children of the school visited St Pauls School in Spalding on their way to swimming to take part in their Latvian Summer Solstice morning. The children all learned about the festival which is celebrated in Latvia to make the

Summer Solstice. The children took part in three different activities to learn about the traditions that take place in Latvia to mark this special day. Some of the children took part in traditional folk dancing around a maypole, They all made a headband which would traditionally be worn on the day in Latvia. The children enjoyed the activities and learned lots about another culture, a special day and the traditions associated with it. It was also a good opportunity for our children to mix with children from many different cultures and backgrounds. We would like to thank St Pauls School for inviting us to share this day with

Women's Vote Centenary

This year marks the centenary of the Suffrage movements to get women the right to vote.. There are numerous events taken place across the country and our school will be no exception. On Tuesday 3rd July all of the children will take part in a workshop with 'Drama Hut' learning about the significance of the Suffragette and Suffragist movements and how they helped in winning equality for women. This will be delivered at a level appropriate to the age of the children and is being paid for by the school.
