

# Sutton-St-James CP School

## Can you write an amazing story using no more than 500 words?

If you think you can.....keep reading.

To coincide with Radio 2's 500 words competition we will be running a 500 word story writing competition in school.

All children can enter and we will choose a winner in each year group who will receive a prize.

Completed entries will need to be in school no later than February 25th. This is the first day back after half term. No late entries can be accepted.

Radio 2 has a 500 word story writing page on their website if you and your child(ren) need some inspiration. Your story can be about anything that you choose.

So get busy and let your imagination run wild...

We look forward to reading lots of exciting stories...
