Science Day and Planetarium visit

On Monday 21st March we will be having a special science day at school! During the day the children will rotate in their classes around different science experiments—including exploring air resistance, streamlining, creating the best bubbles and making the best fizz inflator. Also during the day each class will have the opportunity to visit the Starlinks mobile planetarium. This is very kindly being paid for by the PTA. The planetarium ensures that children are given the opportunity to learn all about space in a fantastic, fun and educational environment which they will enjoy and remember! We are sure that all of the children will have great fun on our science day and learn lots about many different scientific topics.

Easter Egg Decorating Competition

As you will know from the letter sent out at the start of this week all children are invited to join in our Easter Egg decorating competition. The children should decorate a normal chicken's egg, which has been hard boiled, in any way that they want to. They may create a colourful pattern on it using felt tips, paints or fabric or they may wish to turn it into a character from a story or TV programme. All decorated eggs must be brought to school on Tuesday 22nd March when they will be judged. There will be a prize for each class as well as runners up prizes for the most creative and carefully decorated eggs.

Celebration Assembly Change — Wednesday 23rd March

Next week our celebration assembly will be on Wednesday morning at 9am, as on Thursday we will be having our cinema and the Easter Extravaganza. We hope that lots of you will be able to join us for this final celebration assembly of the term and that you will be able to stay to enjoy tea/coffee and biscuits afterwards with us.

Breakfast Café—8.15 Opening Reminder!

Please could I remind all parents that send their children to Breakfast Café in the mornings that you should stay with your child/children until the door is opened at 8.15am. Your children remain your responsibility until this time. If they have an accident or behave poorly it is your responsibility to deal with these until 8.15 when the door is opened. Please do not assume that other parents who are doing the right thing and waiting with their own children in the conservatory will also take responsibility for your children.

Sport Relief Day—Friday 18th March

Today the children had great fun coming to school dressed as a sports person to raise money for the Sport Relief Charity. The children brought in donations of £1 and were involved in their sporting house competition with coach during the afternoon.

Match Attack Cards

Please could you ensure that your child **DOES NOT** bring in any Match attack type cards as they are easily lost and cause many arguments. If they are seen in school they will be confiscated until the end of the school day. Thank you.
