Term 2—1st Nov—20th Dec 16,

Term 3—4th Jan—10th Feb 17,

Term 4—20th Feb—31st Mar 17,

Term 5—18th Apr—26th May 17,

Term 6—5th Jun—19th Jul 17

Thinktank Visit—Friday 15th April

On Friday the whole school visited Thinktank Science Museum in Birmingham. It is a very interactive museum and the children had great fun pressing all of the buttons and exploring the exhibits. The children had the opportunity to find out about lots of different scientific concepts on the four floors of the museum and had great fun when they went outside in the science garden. A huge thank you to the charities that paid for the children to take part in this fabulous experience and to all of the adults that came with us making the visit possible.

Library Opening Days Changed

Due to changes in clubs and swimming this term the library opening days have changed. Please find below the new timetable for terms 5 and 6 when your child will be able to go to the library to change their books. Replacement library cards are available from the school office for a small charge of 50p.

Tuesday lunchtime—Wrens, Wednesday lunchtime—Swallows

Thursday lunchtime—Owls, Friday lunchtime—Heron

Friday After School—All classes

Fruity Snacks—Healthy Eating -It has been fantastic this week to see the children enjoying their healthy snacks at break time. I have seen lots of different fruits including water melon, blueberries, strawberries, cherry tomatoes, peppers, raisins, apples, oranges, bananas, cucumber and carrots. The children are enjoying this snack and I would like to thank all of the parents that are supporting the school in encouraging the children to eat more healthily both with their fruity snack and healthy lunchbox choices.

Fit and Fun—The children and adults have had great fun going out during the afternoons and moving around the playground for 15 minutes. Some have run, some jogged and some walked but everybody has been enthusiastic and enjoyed taking part. An unexpected positive seen has been that of how encouraging and supportive the children have been towards each other, helping and encouraging others to keep moving. It is also a great time for the children to chat with their friends. If the children manage to complete 12 laps of the playground each day that we are in school for the next year they will have completed almost 7 and a half marathons! Now that's what I call amazing!

MSA Vacancy -We currently have a MSA (Midday Supervisory Assistant) vacancy for 30 minutes each day. The role involves supervising the children inside and outside at lunchtime and serving food/drink to them as well as clearing away lunch time furniture. If you are interested please ask for an application form at the office. Closing date for applications for the position is Friday 6th May.
