Term 2—1st Nov—20th Dec 16,

Term 3—4th Jan—10th Feb 17,

Term 4—20th Feb—31st Mar 17,

Term 5—18th Apr—26th May 17,

Term 6—5th Jun—19th Jul 17

Ancient Egypt Day—Owls

On Thursday Owls Class had great fun taking part in an Ancient Egyptian Day. Many of the children dressed up in ancient Egyptian costumes and really immersed themselves in the role play for the day. The children completed a range of six different craft activities learning and making something to do with Ancient Egyptian traditions / rituals. The children all had roles to play, some being slaves and others being the Pharaoh or the Queen. This was a fantastic day that the children all really enjoyed and learned lots from. It was a great finale to their studies about Ancient Egypt and we thank the parents for their support in contributing towards the cost of the day and for helping their children with their costumes.

Ancient Greece Day—Herons

On Friday the children in Herons class all took part in an Ancient Greece day to help them to understand and learn facts for their theme this term. The children made a fantastic effort with their costumes and got into role well. The children all took part in six different activities including, soap carving, tile painting and amulet crafting. The children enjoyed the afternoon when they practised and performed dances and short plays to each other whilst tasting typical Greek style foods such as wine, olives, bread and feta cheese. Thank you again to all parents who contributed towards the cost of this day and supported the children in making the fantastic costumes. I am sure that you will agree the children learned lots and enjoyed their day in Ancient Greece!

Lost Property—Last Chance! In school we have an increasingly large mountain of lost property which is not named. If your child has lost any of their uniform please ensure that it is found on Monday or Tuesday. On Wednesday morning we will be putting tables with all of the unclaimed lost property on them outside on the playground and parents will be invited to take any of the unclaimed items for a small donation to the PTA. After this any remaining items will be given to charity shops.

Jump Rope for Heart Sponsored Event Please remember to keep collecting sponsors for our Jump Rope for Heart event on Friday 20th May. The money that we raise will be split between our school (20%) to buy sporting resources and the British Heart Foundation.

Parents Maths Workshops

A big thank you and well done to all of the parents that have attended the two workshops that we have run at school to help parents to understand how their children are taught maths in school. We hope that you found these beneficial and we feel sure that your children will benefit from these.

Forthcoming Opportunities for Parents to come into School

A quick reminder that on 23rd May we are having an Open morning when all parents are invited to come into school to spend the morning 9—12noon with their children in class, taking part in lessons with them.

On 17th June Dads are invited to come into school to work with their children on our Enterprise Morning when the children will be working in their houses making games ready for the Summer Fair.
