Term 4—20th Feb—31st Mar 17,

Term 5—18th Apr—26th May 17,

Term 6—5th Jun—19th Jul 17

### Open Morning—Monday 23rd May, 9—12noon

A quick reminder that Monday is our open morning for parents to come into school and spend the morning with their child/children. The children will be taking part in normal lessons which parents are invited to come into and experience the fantastic lessons that we have taking place every day. The children love their parents to attend this day so that they can show you how well they are doing in school so please attend if at all possible. Tea/coffee will be available at break time in the school hall for parents. We look forward to seeing lots of you there.

### Dinosaur Park Visit—Wrens and Swallows

On Tuesday this week, Wrens and Swallows had an amazing time at the Dinosaur Park where they learned all about dinosaurs and many other things. On the Dinosaur trail

the children saw and learned all about how big dinosaurs are and what they eat. They were able to consolidate their scientific knowledge about carnivores and herbivores and about different classes of animal, such as amphibians. The children enjoyed looking at (and holding) some of the animals there close up, such as the rabbits, guinea pigs, hissing cock-

roaches and giant African snails! They also dug up the skeleton of a dinosaur and had great fun on the enormous adventure playground. The children all had an amazing time and we would like to thank the parents for supporting this fantastic visit.

### Maypole Dancing—Church Flower festival

On Friday afternoon, at 2.30pm, some children from the school will be maypole dancing at Sutton St James Flower festival. We will all be walking to the village church to watch this performance and to look at the church to support the children's learning in Religious Education. Please ensure that your children have a coat with them on that day.

### Key Stage 1 SATs

We would all like to say a huge well done to all of our Year 2 pupils who have taken their SATs (Statutory Assessment Tests) this week. We know that you have all tried your hardest and that is all we ask of our pupils. We are very proud of you for working so hard and showing everybody how amazing you are in all of your skills and talents (not just academically)!

### Coffee after celebration assembly

Next Friday as it is the final celebration assembly of this term you are invited to stay afterwards for a cup of tea/coffee and informal chat. This is a nice, relaxed event and it would be great to see lots of you there.

### Jump Rope for Heart

As the children have now completed their sponsored skipping event please remember to collect and send in your child's sponsorship money as soon as possible.
