Term 4—20th Feb—31st Mar  
17,

Term 5—18th Apr—26th May  
17,

Term 6—5th Jun—19th Jul 17

#### Pirates Day—Monday 6th June

What a fantastic start to the new term with the school being filled with pirates on the first day back. The children and adults all made a fantastic effort with their costumes and enjoyed the day. The children took part in many themed activities in their classrooms including: clay model making of pirate ships; creating a pirate character; building a pirate ship to play in from large boxes and taking on the role of a stowaway on a pirate ship to write a diary entry. The children all really enjoyed the day and the writing that they created as a response to the day was great, showing many fantastic elements of writing and great creativity. Thank you to parents for supporting this day by providing a costume and helping your child to enjoy the day.

#### School Council Fruit Pots Sale

On Monday the School Council ran their termly fruit pot sale at break time. The School Council members who manned the stall were very efficient and polite, setting a very high standard of service. Once again it was very popular, resulting in an amazing amount of money being made— £34.50. The school council are saving to buy an additional piece of equipment for the trim trail. Well done to the school council for their amazing effort. Their fruit pot sales will continue in the new academic year once a new School Council has been elected.

#### Standards Week

This week has been Standards Week at school, raising everyone's awareness of what is expected of them at different times of the day and in different situations. The week started with an assembly to restate expectations to ensure that everybody knew what is expected of them in school. The children were then able to earn stickers for behaving in the correct way in different situations. These were counted up at the end of each day and the children allowed additional minutes of playtime relative to the amount of stickers they had earned over the course of the day. We saw a dramatic increase in the number of children making sure that they were doing the correct thing throughout the day. This has now set the standard for the rest of the term and we hope to see the high standards continue throughout Term 6.

#### Parents Coffee Morning

On Tuesday we held our first coffee morning for parents. This was an opportunity for parents to come together and share their experiences and to support each other. The morning was very informal and non-judgemental and we hope to see more parents at the next coffee morning on Tuesday 5th July,

#### Summer Fair Reminders

Please ensure that you return your PTA Summer Fair raffle tickets on Monday if you have not already returned them. We hope that you have all been busy making/growing your entries for the Craft and Produce show for the fair and that you are busy getting your costumes ready for the fancy dress competition. Monday is non uniform day—please send in your tombola contribution with your child.
