### Parents Coffee Morning

We would like to say a big thank you to the parents who attended the coffee morning on Tuesday this week. These coffee mornings are aimed at all parents and it was hoped that they would provide a way for you to support each other. Unfortunately these are not proving very popular at the moment and we would welcome your feedback and ideas as to how we could change them in order for more of you to access the support being offered.

### Resurfacing Work on Pavement

Please accept our apologies for any inconvenience caused by the resurfacing work which took place last week on the pavement into school. We are sure that you will agree that the new pavement is much smoother and hence much safer for everybody using it.

### New Wrens in School

On Friday of last week and Monday this week we welcomed the new children who will be starting in Wrens class in Reception into school. They spent two afternoons with Mrs Horsfield in the classroom and they all had a lovely time. We look forward to seeing them all again in September!

### Year 5—Out and About

Over the last two weeks the Year 5 children have been getting out and about visiting the Peele school and UAH for activity days. They had a great time at both with some of the children being awarded certificates and prizes. We are very proud of them all as they behaved really well and represented our school fantastically!

### Year 6 Taster Days

Our year 6 children, who will be leaving us this year to go to secondary school, have also been visiting their new schools. The children have all had fun and feel more confident about their moves now having begun to find their way around their new buildings.

### Reading volunteers

We really appreciate the support our Reading Volunteers have given us this year. We can see the difference it has made to many of our children. We are now looking for more volunteers for next year. If you or someone you know can spare an afternoon per week to listen to some of our children read we would be really grateful. Please ask at the office or speak to Mrs. Horsfield to see what is involved.

### Uniform Order

Don't forget to order your new school uniform for next term as soon as possible. Order forms are available on the website or from the Office.

### School Milk

Remember to sign up for School Milk via the Cool Milk website at [www.coolmilk.com](http://www.coolmilk.com)
