Term 6—5th Jun—19th Jul 17

### London Residential

Last week children from Herons Class went to London on their amazing residential visit! The children all had an amazing experience. We

travelled on an executive coach and stayed at the Quality Hotel Wembley. Firstly the children visited the Natural History Museum, where they were amazed by the enormous dinosaur skeletons. Later in the day dinner was served at Garfunkels restaurant on Trafalgar Square. That evening the children were fixated by the Lion King Musical at the Lyceum Theatre. Following a delicious breakfast at the hotel the children were treated to a sight seeing tour stopping off

at Buckingham Palace and Wembley Stadium. Before heading home the children experienced another highlight of the visit, taking a ride on the London Eye! A fantastic time was had by

all and the children all behaved very well. A big thank you to Mrs Morgan and Mr Barnett for going with the children and enabling them to experience this once in a lifetime experience!

### Troy Story—Herons and Owls

On Wednesday and Thursday evening the children of Owls and Herons put on West End quality performances of Troy Story, a hilarious show about the Trojan Horse. The children all sang amazingly and Herons children performed at a very high standard, delivering their lines loudly and confidently. Everybody who watched the performances were very impressed by it and had a great evening of entertainment! A huge well done to all of the children who took part in the performances!

### Scooters on the Playground

Please do not allow your children, either school age or younger siblings to ride scooters or bikes on the playground as it can be very dangerous with large numbers of children around. The safety of our school children is paramount to us and I would encourage you to support us in avoiding any unnecessary accidents by making your children walk across the playground and not to use wheels of any description.
