Ofsted Visit—20th—21st September

This week, on Tuesday 20th and Wednesday 21st September, our school was visited by Ofsted. The Inspector observed all teachers and intervention activities, spoke to members of staff, children and Governors. It will take approximately two weeks for the report to be published online. We will send you a paper copy of the report as soon as it is published as well as putting a link to it on our school website. A big thank you to all of you who completed the online questionnaire 'Parentview' to give Ofsted your opinions about the school.

Breakfast Cafe

At the end of the last academic year we invited parents to attend Breakfast Café each week with their children. We would like to remind you of this opportunity each week and hope to see some of you there. The children enjoy a range of healthy breakfast choices and enjoy socialising with their friends. It would be lovely to see some of you on Friday mornings.

Macmillan Coffee Morning—Friday 30th September

Please support our Macmillan Coffee Morning by either attending or by sending in cakes/raffle prizes or both. Let's work together to raise as much as we can for this very worthwhile cause!

Change to Celebration Assembly

Please remember that due to the Macmillan coffee morning on Friday 30th September, we will be bringing our celebration assembly forward that week to 9am on Thursday 29th September. Apologies for any inconvenience that this causes.

Witches and Wizards Theme Day— Tuesday 1st November

On Tuesday 1st November the children are all invited to come to school dressed as either a witch or wizard. During the day the children will take part in lots of activities based around the theme of witches and wizards and these will then be used to support and enhance the children's

writing on the day and throughout the week. This theme has been chosen as it is one which children enjoy and due to its close proximity to Halloween. We hope to see lots of witches and wizards when we come back to school after the October half term.

You-Tube Concerns

In school some children have been talking to members of staff about the types of things that they are watching on You-tube at home. We encourage you please to monitor closely the things that your children are accessing and watching on the Internet.

We would suggest checking that strict parental controls are set up on your home electronic devices and that you regularly monitor what they are able to access. Thank you for your co-operation and support in keeping your children safe online.

Head Lice

WATCH OUT! NITS ABOUT!

Please check your child's hair regularly—thank you!
