JRSO's

Last week elections were held to select our JRSO's for this year. The JRSOs will work with Mr Barnett to help teach all pupils in school how to keep themselves safe on the roads. They will complete activities such as leading an assembly and running a reflector shop. The four children elected this year are:

Penny Harper, Skye Valderas, George Lenton and Jessica Smith!

Congratulations to you all!

3-3 at the Final Whistle

This week our football team have played their first match against Fleet School! The players have been practising at lunchtime with Mr Mooney and Mr Barnett and this was the first match that they had played together. The boys worked really well as a team and Harvey, Alfie and Harry scored our three goals. Fantastic work boys—we hope that you are looking forward to more matches in the coming weeks.

Macmillan Coffee Morning

Thank you to everybody who supported our Macmillan Coffee morning today either by attending, sending in a donation with your child for non-uniform or cakes or buying from the stall at the end of the school day. We hope to have raised lots of money for this very deserving cause and will let you know the grand total as soon as we have it. Thank you again!

JPCSOs

This week the JPCSOs have met with our local PCSO and started their work in our school community. They have received a jacket to wear and their very own special badges. The PCSO will be in again soon to continue working with the JPCSOs.

Parking Safely!

Please could you be considerate when parking outside school at the start and end of the day. Please ensure that you **do not park on the pavement** or in the disabled bay (if you are not entitled to). If you park inconsiderately it could cause parents and children to have to walk on the road which may result in an accident with people being hit by vehicles on the road. There is plenty of space to park in the village and walk to school if there is not enough space along Bells Drove.
