- Term 4—20th Feb—31st Mar 17,
- Term 5—18th Apr—26th May 17,
- Term 6—5th Jun—19th Jul 17

Macmillan Coffee Morning

A huge thank you goes out to all of you that supported our Macmillan Coffee morning in any way. So far we have raised an amazing total of £750 to send to the charity—this is a fantastic amount for a small school to raise and we are only able to do so with your very generous support. We are very proud that the children and whole school community have such great empathy and compassion along with the desire to help and support others who are less fortunate than themselves. Thank you once again! We will update you with the final raised figure in the near future.

JPCSO's—Listening Box

During Monday's assembly the JPCSOs introduced their listening box to the school. This is now located in the school entrance next to the table where children sign in if they are late. The listening box is a facility for the children of the school to write and post any concerns that they may have. The JPCSOs will empty the box each Friday and try to help children who have posted concerns to solve them.

School Council

On Monday the School Council met for the first time with Miss Willows. They all now have their class book and went away with a list of things to discuss with their class before the next meeting to gain the views and opinions of their peers. The School Council will meet again before the end of term to feedback and decide on future projects.

Open Morning—Monday 10th October

Please remember that Monday is the first of our open mornings this academic year. All parents are invited to come into school to work alongside their children in class. Feedback from previous Open mornings has been very positive with parents really enjoying the time that they spend in class with their child. Tea, coffee and biscuits will be provided in the hall at break time for those parents who wish to relax during this time rather than joining the children on the playground. We look forward to seeing lots of you there as the children really enjoy showing parents how well they work in class!

Parents Evenings—17th and 19th October

Please make sure that you complete and return your reply slip for parents evening to enable us to provide you with a convenient time to meet with your child's class teacher to discuss their work and progress so far this year. We will also provide you with targets that you can work on with your child at home to support their learning in school.

Christmas Card Orders

Christmas card orders need to be placed online and art work returned to school to be sent to the company by Monday 10th October at the very latest. If this is not done on time we can not ensure that the company will produce the cards or they may charge a late return fee to complete the order.
