Term 6—5th Jun—19th Jul 17

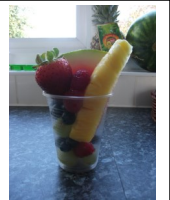

Macmillan Coffee Morning

We are delighted to announce that the grand total raised on our Macmillan coffee morning was **£826.37!** This is a fantastic amount and we are very proud of the effort that everybody made and the fantastic support from everybody that contributed in any way whether it was by making cakes or by attending and having a coffee and slice of cake. It is exceptional that we, a small village school, can raise such an enormous amount of money! Thank you very much for supporting this very worthwhile cause—one that affects and impacts on the vast majority of families at some time!

Fruit Pot Sale

On Monday and Tuesday the School Council ran a very successful fruit pot sale raising a grand total of **£40.75!** This money will go towards the money that they have already raised to buy a slide to extend the trim trail. Well done to the school council and thank you to everybody that supported by buying a delicious fruit pot. The School Council received a fantastic boost to the funds that they have raised so far with the PTA very generously donating £500 to their efforts—hopefully we will very soon have a slide for the children to use.

Reflector Shop

On Thursday the JRSOs ran a reflector shop, selling a range of stickers, clips and badges. The JRSOs felt that as the dark nights draw in, and as it becomes dark when they leave school, that now would be a good time to help the children to become safer on the roads. The reflectors that they sold will light up in the lights of cars so that they can be seen at night. Please help us to ensure that the children stay safe on the roads around the village.

Remembrance Day Assembly On Friday 11th November we held a special assembly for Remembrance Day. The children have all made their own poppy in their class which has been combined to create a wreath which will be hung in the conservatory next to the memorial for local people who served in the War. The children have learned about different wars and thought about why it is important to remember those who gave so much for us. Lots of the children have brought in donations to buy a poppy which they have been wearing all week.

Max Respect Assembly

On Monday this week we had a special assembly from the Max Respect Team from Lincolnshire County Council Schools Transport Team. The assembly focused on how children can keep themselves safe on the roads and on public transport. The children were taught how to cross roads safely and how to behave positively on buses and in cars. We hope that the children will all remember this to help keep themselves safe when they are out and about.

Anti-Bullying Day—Friday 18th November

Next Friday is Anti-Bullying Day. We would like all children to come to school in non-uniform, wearing as much blue as possible. The children will spend time throughout the day learning what bullying is and how they can protect themselves and others from it. They will learn about how to be a good friend and how they can be a good friend to others who are unhappy and how they can help them.
