In the Spotlight

Last week we had a fantastic talent show at school which many children entered. The children auditioned in their classrooms and finalists were selected by the children. After all of the children doing fantastic

performances the winners for each class were as follows: Wrens—The Reception children, Swallows—Kirk, Owls—Tyler, Herons—Bonita, Skye and Ella. Competition was so close that an overall winner could not be decided so the joint winners were Tyler and Bonita, Skye and Ella. Well done to all of the children that took part - you were all stars!

Red Bottle Top Plea

We desperately need lots of red plastic milk bottle tops to use in school to finish off our Remembrance poppies. If you drink skimmed milk please save your milk bottle tops and send them into school for us as soon as possible. Thank you.

Year 5 and 6 Tag Rugby

Congratulations to our Year 5 and 6 Tag Rugby Team who took part in an interschool tournament on Tuesday and came second out of all of the schools! A fantastic effort by all of the children who all enjoyed their day. The children worked really well as a team and their behaviour was fantastic.

Open Morning for New Parents

On Tuesday we held an open morning for parents of children who will be starting school in September. It gave them the opportunity to come and have a look around our fantastic school before they have to decide which school to send their child to. The children and parents had a great morning and it was lovely to see them all at school. Thank you to Caitlynn and Ella in Year 6, who took some of the parents on a guided tour around our school—well done girls, you did a fantastic job! We hope to see all of the children back again in September!

Anti Bullying Day

Today, Friday 18th November, we have had our annual anti bullying day. The children have all taken part in lots of activities in their classroom focused on what bullying is, how we can stop it, how to help ourselves and others if they are being bullied. The JPCSOs led an assembly about bullying and the children have all been given a bullying related wordsearch to take part in. Well done to everybody for coming dressed in blue to highlight our support of the anti bullying campaign.

Non-Uniform Day—Friday 25th November

Please remember that next Friday is non-uniform day again. This week the only contribution that we are asking for is a donation for the Christmas Fair as requested in the PTA letter sent out on Friday 18th. If children could please bring their donations into school and take them to their classroom, where the teacher will collect them in before sending to the staff room. Thank you for supporting us with the Christmas Fair in this way.

Dogs on the School Grounds If you bring your dog when you drop off or collect your child please ensure that it is on a lead and be considerate to the children by standing back from the main route into school to ensure that children who are afraid of dogs are not made to feel scared by having to walk close to them. Also if your dog barks please remove them from the school grounds to ensure that children are not scared.

Parking Please DO NOT park in the school carpark at the start and end of the school day. This is parking for staff members and volunteers in school only. This will help us to ensure that the children are kept as safe as possible when they are walking into and out of school. Thank you for your co-operation with this.
