### Attendance

Please remember to telephone the school if your child is ill and absent as if we are not notified of the reason for absence it will be marked as unauthorised. Thank you to those parents who are very good at informing us about their child's absences.

### Milk Bottle Top Plea

We are saving plastic milk bottle tops in school to give to a charity that collects them. Please save all of your plastic milk bottle tops and send them into school for us to collect together and give to charity. A box will be placed in the entrance hall under the office window for you to put them in. Thank you for your support with this.

### Christmas Fair—Friday 2nd December, 6pm—8pm

On Friday 2nd December, the PTA will be holding their annual Christmas Fair to raise funds to buy additional resources to enrich your children's education. Please make sure that you come along and bring all of your friends and relatives to enjoy the great variety of stalls and games that will be there. The children will be running a stall in each of their houses in competition against each other to see who can raise the most money. Any donations of raffle prizes or cakes would be gratefully appreciated. We look forward to seeing lots of you there to enjoy the festivities and help us to raise lots of money to enhance your children's education!

**Raffle Tickets** Last week the PTA sent home raffle tickets for the Christmas Fair with every family. Please could you ensure that these are returned to school as soon as possible with the money. Thank you!

### Spare Clothing

With the wet weather we are finding that lots of the children are coming in with wet socks and clothes after playtime, despite having been asked not to play in the puddles. As a result of this our stock of spare clothes has rapidly diminished and we are appealing to you to send in any spare uniform clothes that your children may have grown out of. We are in desperate need of spare socks. If you have any please send them into school for Mrs Horsfield. Thank you

### Children in Need

On Friday 11th the children all came dressed in non-uniform, with their clothes on inside out and back to front, for Children in Need. The children also brought in pennies to cover spots with in the house competition for the term. On the day a grand total of £171.64 was raised for Children in Need from both the non uniform contributions and the pennies collection. The winners of the competition and totals will be announced in the final celebration assembly of the term.

### Enterprise Morning

On Tuesday 29th November we will be running our Enterprise morning where the children work in their houses to create a game to run at the Christmas Fair. We would love parents to come and join in with this morning, working with their children, to help the houses create the best games that they can. The morning will run from 9-12noon. We look forward to seeing lots of you there!
