26th September 2017,

**Arts Award Opportunity
 Year 4, 5 and 6 Pupils**

This year Sutton St James School has signed up to take part in an exciting Arts and Culture opportunity in partnership with other local schools and the South Holland Centre in Spalding.

Over the year there will be a series of workshops held in school along with visits to the South Holland Centre to watch performances and/or put on a presentation.

We have now been notified that the first of these workshops will be held in school on Thursday 5th October (before the Year 6 children go swimming) and the first performance will be at the South Holland Centre on **Wednesday 11th October** during the morning. The children will be back at school in time for lunch so you should still be able to order lunches as normal via the Country Kitchen website.

These workshops and performances, including any necessary transport, are all being funded by school hence there is no cost to parents.

The children will travel to the South Holland Centre on a bus organised by school and will be supervised by members of school staff at all times.

Please complete the reply slip below and return it to school by Friday 6th October to give permission for your child to attend this visit out of school.

Yours sincerely

Miss Claire Willows
