17th July 2017

Dear Parents

Bug Club

We are pleased to inform you that, as of September, we will be introducing an online reading service for all children at Sutton St James School called "Bug Club".

Each child has been given a personalised login which will direct them to their own library of books. These books are matched to their reading ability and will be regularly updated by your child's class teacher.

The service will be used in school in support of guided reading and comprehension sessions and we encourage you to access these books at home to share and engage with your children in the different ways that they read.

For each book read, each child will also receive online rewards which can be redeemed in their own personalised home page.

Each child has been given a login bookmark with their own login details, the website to access is www.activelearnprimary.co.uk

Please keep your bookmark in a safe place as it will be needed to access the Bug Club Library.

Yours sincerely

Mr J Quant
KS1 Literacy Coordinator
