Dr Who Time travelling Day – Tuesday 5th January 2016

Dear Parents,

On our first day back to school in January we will be running a Dr Who theme day when the children will be travelling through time to visit different eras in history. The children will travel in their houses (Nene, Ouse, Welland and Witham) and will visit the Tudor period, Stone Age, Victorian period and Viking times.

In each era the children will complete fun activities learning about that time, extending their knowledge and understanding of different time periods.

The children will not be thinking about the aliens and monsters depicted in the TV series – the day will purely concentrate on the time travelling element of Dr Who – helping to make learning fun for them.

We would like the children to come dressed up as either Dr Who or one of his assistants. The children should not come dressed as aliens or monsters from the TV series please.

Thank you in anticipation of your support of this initiative to engage your children in their education and to make learning fun for them.

Yours sincerely

Miss C Willows
Headteacher
