Green Britain Centre trip for Owls – Thursday 12th October 2017

Dear Parents,

This term in Owls class, we are learning about our extreme planet. We are very fortunate to be able to offer the opportunity to visit the Green Britain Centre in Swaffham, Norfolk.

During the day, your child will have the opportunity to climb the only wind turbine in the world with a viewing area at the top! They will learn all about wind energy and will participate in a teamwork activity to make their own miniature wind turbines. As the trip is to learn about the ways in which our planet can help us to live economically, the children will also get to see the world's fastest wind powered vehicle, as well as going on an eco- trail to take ideas back to our school about how we can become more environmentally friendly.

The bus will be leaving at 9.00am therefore we ask that your child arrives at school at 8.45am at the latest so we can leave as soon as possible. They will also need a packed lunch for the day- if you have already paid for a school dinner, please see Mrs Botting for a refund. The children will arrive back at school before the end of the school day so they can be collected in the usual way. Please ensure that your child brings clothes that are suitable for any weather- we will be outdoors for most of the day.

There will be a charge of £12 for the full day at the Green Britain Centre. Please complete the reply slip and return it to the office along with full payment by **Monday 2nd October 2017**.

If you would like any more information about the site we will be visiting, please visit their website: <http://www.greenbritaincentre.co.uk/>

Yours sincerely,

Miss R Griffin
Class Teacher
