Friday 11<sup>th</sup> May 2018

Dear Parents,

**Flower Festival**

The flower festival at Sutton St James church this year starts on Thursday 24<sup>th</sup> May. Each year, all of the children at school get involved in this and participate in some way. Previously the children have created fish and flowers which have been displayed during the flower festival and can be viewed when visiting the church over the Flower Festival period.

This year we are asking you to work at home with your child to create a garden on a plate. You can use any materials that you would like to: maybe use pieces of sponge painted green to create a hedge or bushes, a green or brown piece of material for a lawn or vegetable plot, upturned squash bottle for a paddling pool etc. Please be as creative as you can be, possibly encouraging your child to design the plate before you begin making it.

If your child would like to take part in this activity we have provided a paper plate, with this letter, for them to use to create their garden on.

The finished plates need to be returned to school by 9.15am on Wednesday 23<sup>rd</sup> May at the latest. They will then be collected by Mrs Clifton and displayed at the Church in the village where you can go to see them over the following few days.

In school all of the children will be writing a poem about Springtime. Some of these will also be displayed at the Church.

Thank you for getting involved and supporting your child with this project at home.

Yours sincerely

Miss C Willows  
Head Teacher
