Headteacher: Miss Claire Willows

24th February 2016,

Dear Parents,

Governor Questionnaire Follow-Up

Thank you for your responses to our previous questionnaire, in response to your comments:

- We would like to reassure you that the school has tried to increase the number of clubs available to Wrens and Swallows with the inclusion of Jigsaw and ICT club last term. Take up for the after school club has been good but the lunchtime club was poorly attended.
- Remind you that the majority of the dates for events and activities are provided in advance through the weekly update. If you would like the update e-mailing to you please speak to Mrs Botting in the school office or put your details in the post box in the conservatory to request this.

Following the comments made to the question “**How could we help you to support your child’s reading, writing and maths at home?**”, in the last Governors questionnaire, the school is planning to hold workshops for parents on how to help your child with maths and reading (phonics). In order for us to plan these sessions we would like your responses to the following:

Which would you be interested in attending? (Please tick your preferences.)

Maths	Reading	Writing

Which timing is most convenient for you? (Please tick your preference.)

During the School Day	Straight after School	Early Evening

Which day of the week would be most convenient? (Please tick your preference.)

Monday	Tuesday	Wednesday	Thursday	Friday

The library is now up and running and we would like to use it to inspire the children further and to develop their love of reading. We would like volunteers (Parents/carers or Grandparents) to come in to read to groups of children in the library. If you have time to come into school to read a story to a group of children please speak to Mrs Botting or Mrs Horsfield so that we can arrange for this to happen.

Thank you for your support of the school and for working with us to continue to move the school forwards.

Yours sincerely

Mr P Horsfield
 Chair of Governors
