

### **French**

*We will develop our knowledge of the language through learning words and phrases linked with hobbies and food.*

### **Numeracy**

*We will be continuing to develop mental and written strategies for addition, subtraction, multiplication and division. Also we will be working on rapid recall of multiplication and division facts along with symmetry, properties of shape and measure.*

### **History**

*We will be learning about the history of space travel and the chronology of development.*

### **Literacy**

*The children will develop their writing skills through a range of text types including;*

- *Film narrative,*
- *Non-chronological reports,*
- *Biographies of significant authors,*
  - *Recounts,*
  - *Narrative poetry.*

# ***To Infinity and Beyond!***

### **Art**

*We will look at sculpture, comparing and contrasting different styles.*

*We will learn about some great artists, including Van Gogh.*

### **PSHE**

*The children will learn about safety. We will be looking at the effects the sun has on your skin if unprotected.*

*We will also be learning about physical health and the importance of physical activity.*

### **RE**

*The children will be learning about Christianity and religious journeys.*

### **Science**

*The children will learn about;*

*How light travels*

*The movement of the Earth and other planets relative to the sun in the solar system.*

*The movement of the moon relative to the Earth.*

*The idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky.*

### **Geography**

*The children will develop their map skills using atlases, globes and digital mapping to locate countries and describe features studied*
