6th March 2018

Dear Parent,

**Hérons' Visit to Peele Community College
Wednesday 14th March 2018**

On Wednesday 14th March, Herons Class will be visiting the Peele Community College, Long Sutton, to work with their Head of Physical Education (Mr Wheeler) and a selection of KS4 students. The Peele teacher and students will be modelling, demonstrating and leading a variety of 'circuits' in the main Sports Hall. Accompanying this will also be a range of learning points and commentaries on food, diet and lifestyle choices, together with their (positive) effects upon health and well-being. This is the trip that was cancelled from 28th February.

Our children will need to be wearing PE kit for this visit – I suggest indoor kit with outdoor kit over the top of it. All children will need to take a water bottle with them and they will be provided with a fruit snack for the morning.

The visit will take place during the morning of Wednesday 14th March and the children will be back at school in plenty of time for their lunch. The transport for this visit will be provided by the school, hence the visit is free for the pupils, and it will be an excellent opportunity to reinforce the work that we have been doing in school learning about healthy lifestyles and our bodies. The children will be accompanied and supervised by members of Sutton St James school staff throughout the visit.

We will take the slip that was returned to us from the previous cancelled trip as your child's permission but if anything is different, please let us know.

Yours sincerely

Miss Claire Willows
Head Teacher
