Dear Parents,

Sleepover for Herons

As a treat for those children who are unable to go on the residential visit in July to London and as a practice for those who will be staying away from home, we have arranged for Herons to have a sleep over, here at school on Friday 12th May.

Children should **arrive at school at 5.30.p.m having had their tea**. We will then play games and end the evening with a film and hot chocolate. The children will be supervised at all times by members of staff. Both Miss Francis and I will stay with the children through the night until they leave the following morning.

Children should bring a sleeping bag, pillow and night clothes. They should also bring a toothbrush, toothpaste, a towel and toiletries to have a quick wash on Friday morning. Please do not bring electrical items such as mobile phones or DSs. If they wish, children may bring a board game to play and share with other children. Please make sure that all items, including clothing are named.

Boys and girls will sleep in separate rooms and Miss Francis and I will be located centrally between the two groups of children during the night.

Children will be ready to be **picked up on Saturday morning at 8.30 a.m.** having had a light breakfast.

We are very much looking forward to the sleep over and think that it will be fun for all. We hope to see as many of the children here as possible. There will be no charge for the sleep over.

If you have any questions or queries regarding the sleep over please do not hesitate to contact me.

Yours sincerely,

Miss C Willows
