Dear Parents

New Hot Dinner online System

Please find attached a guide for your convenience to help you order your child's hot school meals from September 2017.

You should have already received an email containing your user name and password to log onto the hot dinner site which is www.acountrykitchen.co.uk. You have been sent this email to the address you have recently given to the school. If we did not receive an email address as requested, we have used one that we already had on file. If you wish to change this email address for your hot meal correspondence, then please contact the office.

All hot dinners for W/C 5th September 2017 need to be ordered online and paid for by **19th July 2017** using the guide to help you. If you need any help or advice with the new online ordering and payment service, please contact the office before 19th July as there will be nobody available to assist you after this date.

If you have not received either the Online Help Guide or a Username and Password, please contact the office **ASAP**.

Yours sincerely

Miss C Willows
