New Online System for ordering Hot Meals

Dear Parents

As from September 2017, the way in which you order your child's hot dinner with us will change. It is changing to an online system which will still be with the same providers "A Country Kitchen". In order for us at school to make preparations for this new system, we need an email address. Once we have this and enter it onto the system, you will be emailed a username and password.

As soon as you receive your username and password you will be able to start ordering your child's meals for September. The final deadline for ordering W/C 4th September 2017 meals is the 19th July, so please can you send this form back to school ASAP or by Tuesday 11th July at the latest.

Thank you.

Yours sincerely
