

INCREDIBLE INVESTIGATORS

Literacy

This term the children will be linking their English work to our new topic: Incredible Investigators. We will be thinking about different explorers and the way in which they have travelled to explore the globe.

Art/DT

this term we will be investigating the life and work of a famous artist. We will be discovering what made Monet famous and trying to recreate one of his most famous pieces of art.

Science

This term our focus will be on Sound. We will be investigating how sound travels in different ways. We will be attempting to make our voices travel in different ways as well as learning about sound waves and how radios receive and play sounds.

Music

This term the children will be working with a music teacher to think about tempo and the structure of music.

PE

In PE children will be taking part in group games with coach on Mondays and Fridays to improve our teamwork with invasion skills and games as well as learning to dance to different beats with Mr. Quant

RE

This term our focus in RE will be religious books. We will be focusing on the significance of religious texts in a variety of religions.

PSHE/SEAL

Children will be looking at their own and others' manners. We will be thinking about what makes good manners and ways in which we can be a good role model for others. We will also be looking at ways in which we can lead a healthy lifestyle, in particular focusing on personal hygiene. Thinking about when and how to effectively wash our hands.

Maths

This term the children will be using money in different ways. We will be recognising coins and adding coins together to make an amount. Furthermore we will then be using role play to purchase items and try to work out how much change is needed.

Geography

This term we will be focusing on the world, we will be naming the continents as well as the parts that make up the United Kingdom and trying to locate ourselves on a map. This map work will also allow us to make more focused maps of our local area and in keeping with our topic on investigations we will be exploring using a treasure map.
